Award Eligibility

The Student Senate recognizes a '**Superior Club**' within the college once a year. The club chosen must be one that has demonstrated outstanding activity and service. The award recognizes the club that has carried out activities to benefit its members both academically and socially. The winner receives a rotating plaque and is recognized at the CAHNRS Awards Banquet on April 4, 2009. **Applications need to be bound and are due to Academic Programs, Hulbert 423, campus zip 6243, phone 335-4562 no later than March 25, 2009.**

Nomination Packet Guidelines

Title Page Name of club and club advisor(s)

Tab A List of active members
List of officers

Tab B **Activities:**
Report on year's activities – 2008-2009
Please provide a list of your club's activities for each of the categories: member activities, college activities, university or community activities, state, regional, national or international activities

Tab C **Expanded Activity:**
One-to-two page expansion of one of the clubs activities. Consider the size and quality of the activity, the amount of preparation involved, and the level of participation. Consider the benefits of the activity for members, college, community or professional development (speakers, conventions, etc.). Has club membership, involvement, and participation increased over the past year?

Tab D **Letters:**
Two letters written by club members - one letter from a new member and one letter from an old member provide a broader viewpoint. The members should explain how the club has benefited them personally, how the member feels about their club and if the club has provided professional experience and exposure along with social activities.

Tab E **Additional Information:**
Other information such as letters, pictures, programs, newspaper clippings, etc. is welcome, but not required to be eligible for the award.

Selection Process:

Selection is done by the Student Senate Superior Club Selection Committee.
